There were no payments requested or made

Income included in the figures above

From Black Rock	£6.88
From M and G	£30.78
Bank Interest	£4.19

The vicar and church wardens charities are comprised of three small trusts in the names of Elizabeth Jackson, George Herbert and Edward Peake. The administration of them is a responsibility to the church wardens not the treasurer. It does create a disproportionate amount of work for the small amounts involved. The remit of the trusts is broadly twofold, to support religious education and worship within the parish. Requests for financial support or further information should be made to the vicar or church wardens.

Robert Butcher

Churchwarden

23/4/24
