

St Andrew's Biggleswade Environmental Survey

The Eco Group at St Andrew's Biggleswade is working on behalf of the PCC to move towards a more environmentally sustainable church as well as achieving recognition as an Eco Church. As part of this work, we would like to know more about what people at St Andrew's know, do and would like to do regarding the climate emergency.

We ask you to complete this questionnaire which be used to inform our planning and the direction the church will take as we develop to a more environmentally sustainable church.

All answers will be treated in confidence and in line with St Andrew's Data Protection Policy. Anonymized data will be used in reports to the PCC.

If you have any questions, please contact the team at eco@standrewschurchbw.org.uk (<mailto:eco@standrewschurchbw.org.uk>).

- Never
- Quarterly
- Less than once per year
- Monthly
- Yearly
- Weekly

6. Please let us know if you are currently involved with any environmental organisations, and if so, which?

For example charities, campaign groups, political organisations. They do not need to be solely environmental, so long as that is a significant part of their work.

7. Is there anything else you think the Eco Group should be aware of?

Please provide key points, text limited

8. [OPTIONAL] Would you be happy to be contacted by a member of the team to discuss your responses above to the 6 questions above? If so, please give a phone number or email address that we can contact you on.

We will only get in touch if you have also provided your name above.
